

## STRAWBERRY SUMMER

by priscilla and cheyenne

D A D G  
i keep this hope a brighter light  
D A D G  
than i have seen glowing inside

D A D G  
and life is turning out to be  
D A D G  
less silken and fine than i had in mind  
D A D G  
and more like an old cotton dress

D A D G  
in the summer on a clothesline  
D A D G  
frayed and faded wrinkled and tattered  
D A D A A7 D  
the older the cloth the more holes there are  
G D G  
the more the sun shines through it

D G D G D  
the dream of a dream was with me a while  
G D G Bm  
one day i will see for now it's goodbye  
A D G  
the end of our strawberry summer

D A D G  
i keep this hope a brighter life  
D A D G  
than i have seen growing inside
